Date : 8<sup>th</sup> February 2010

**CIRCULAR NO. 01/2010**

**DIABETOLOGY FELLOWSHIP TRAINING PROGRAMME**

الإشارة :

التاريخ :

The Faculty of Internal Medicine of Kuwait Institute for Medical Specialization (KIMS) announces that they will accept the new batch of candidates for the Diabetology Fellowship Training program for the year 2010. The duration of the Diabetology Fellowship Program is 3 years. Details of the program can be obtained from the information booklet posted in the KIMS Website [www.kims.org.kw](http://www.kims.org.kw). Candidates who successfully pass through the program are eligible to sit for the certifying examination of the Fellowship in Diabetology.

#### Eligibility for Application

Kuwaiti Doctors who have already obtained:

- Postgraduate Program in Internal Medicine or Paediatrics (KIMS), or
- Canadian or American Board certification in Internal Medicine or Paediatrics or
- MRCP(UK) (Internal Medicine or Paediatrics) and a one-year post service certification after obtaining the Membership, are eligible to apply for it in the prescribed application form available from:

The Department of Medicine  
Faculty of Medicine  
Kuwait University  
P.O.Box 24923, Safat  
13110 Kuwait  
Tel: 25319596

The duly completed application form along with two recent photographs must be returned to the same office not later than 8<sup>th</sup> March 2010 (Monday).

Interviews and selection will be done immediately thereafter and the candidates accepted for the program will be allocated to the respective Units.

For further enquiry please contact Prof. Nabila Abdella, Tel: 25319596.
